9. Four students live in a flat together. So, they share the responsibilities at home. These are their opinions about the chores below.

Ella

Emptying the dishwasher and cooking are my duties. I sometimes help Mary with the shopping, too.

Luna

Mopping the floor is my duty. To be honest, I hate doing it, but it's my responsibility. So, I have to do it.

Lucy

Ironing the clothes is my task. It's boring but easy. I would rather do it than do the chores in the kitchen.

Anna

Who is responsible for the kitchen tasks?

A) Ella

B) Luna
