**e.g. Rafting is more popular than rock-climbing.**

1. ....
2. ....
3. ....
4. ....
5. ....

**B. Read the text and write the names on the table.**

Hello, I'm Jasmine. We are a group of four friends. Each of us uses the Internet in our lives. We use it for different purposes. Naomi usually browses articles. Julia enjoys using the Internet to watch videos and surf on Instagram. Layton often watches foreign series to improve his French. I use the Internet to keep in touch with my friends. I use Messenger to communicate with them. Also, I follow a cooking course.

### C. Complete the table according to the dialogue below.

**Sarah** : Hey Tom, have you tried any exciting sports lately?

**Tom** : Yeah, I've done a few! In Colorado, I went snowboarding. I was a bit nervous, but the speed was amazing. Then, I traveled to Costa Rica and tried zip-lining through the rainforest. That was thrilling! Flying through the trees was an incredible feeling. After that, I went to Australia and surfed in Bondi Beach. Riding those waves was so much fun.

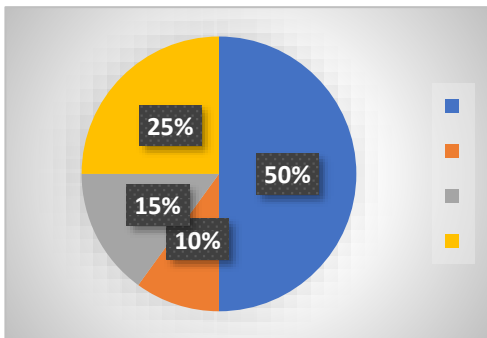

Extreme Sport	Country	Tom's Thoughts and Feelings

### D. Read the text below and label the slices of the pie chart.

Mrs. Granger asked 100 students at her school about their favorite extreme sports. Here are the results.

- Half of the students prefer rafting.
- Only ten students would rather go kayaking.
- More students are interested in scuba-diving than in hang-gliding.

**Extreme Sport Preferences of the Students:**

	.....
	.....
	.....
	.....

### E. Read the text and fill in the blanks with names.

My friends have different internet habits. Olivia spends a lot of time online. She watches videos and participates in online games. Clara uses the internet moderately. She researches educational topics and reads online news. Lily likes to socialize and connect with her friends when she's online. Nora dislikes spending much time online. She believes it's risky.

1. To ....., the Internet is dangerous.
2. .... uses the Internet for fun.
